AT CHRISTIE'S. THE WORLD'S LEADING ART BUSINESS. WE ARE...

A LEGENDARY BRAND

Christie's is a name and place that speaks of extraordinary art, unparalleled service and expertise, as well as international glamour.

A DISTINGUISHED LEGACY

Founded by James Christie in 1766, Christie's has conducted the greatest auctions of the 18th, 19th and 20th centuries, and today remains a popular showcase for the unique and beautiful. Christie's conducts over 450 auctions annually in over 80 categories, including all areas of fine and decorative arts, jewelry, wine and more.

A GLOBAL NETWORK

Christie's has 53 offices in 32 countries and 10 salerooms around the world in London, New York, Hong Kong, Paris, Geneva, Milan, Amsterdam, Dubai and Zürich.

A LEADER IN INNOVATION

Christie's values the traditions at the heart of our near 250-year history, but we are also dedicated to pursuing the innovative ideas that will take us into the next century, including market-leading digital services such as online bidding, mobile browsing and more.

WHAT WE OFFER

OUR SERVICES ARE AS DIVERSE AND INDIVIDUALIZED AS THE CLIENTS WE SERVE

AUCTION SERVICES

There is nothing like the excitement of a Christie's auction and the satisfaction that both buyers and sellers experience the moment the gavel falls. With sales conducted at our 10 salerooms around the world, in addition to our full lineup of online-only auctions, our specialists ensure that works are positioned to meet their highest potential, with the ultimate goal of uniting collectors with the objects they love.

PRIVATE SALES

Christie's has a long and successful history of brokering private sales, and today, our approach is widely recognized as the industry-leading standard. It matches quality and discretion—values we have held since our founding—with the flexibility and innovative spirit that have powered our growth over the last two centuries. Through a dedicated Private Sales department, our specialists work one-on-one with consignors and buyers to meet a variety of collecting needs—

from acquiring a specific work to buying or selling outside the auction timeline and more. Christie's Private Sales is also creating a global footprint through a dynamic range of public events including international selling exhibitions, academic exhibitions, strategic partnerships and special events.

APPRAISALS, VALUATIONS AND ESTATE SERVICES

Our Estates, Appraisals and Valuations team provides streamlined, tailored services for private individuals, corporations and professional advisors. Our services include auction estimates, appraisals for taxation, insurance, loan collateral and financial planning purposes, collection management solutions, and overseeing the removal and storage of property. Whether it's preparing qualified valuations or managing the transition of works from one generation to the next, understanding the value of a collection—from the intrinsic to the intangible—is at the heart of everything we do.

MUSEUM SERVICES AND CORPORATE COLLECTIONS

Christie's is committed to assisting museums and corporations with their collecting needs through appraisals, facilitating the buying and selling of works, advising on collection management, and collaborating on joint events. We have been honored to play a role in helping these institutions shape their collections through the acquisition of masterpieces and are proud to partner with them to achieve exceptional results for their works at auction or through private sales.
